GETTING READY for the opening of the doors at Antioch Township High School last week was Melvin Stillson of the school staff planing one of the new doors of the building. Warping of the old doors and general deteriorating of them necessitated their replacement. These doors open off the parking lot near the gymnasium. This kind of work is not "strange" to Stillson as he is instructor in woodworking at Antioch Township High School.

Local Teacher Institute Scheduled for Sept. 8

Thirty-six members of the Antioch Township high school teaching staff will meet September 8 for a one-day local teacher institute and workshop.

Purpose of the institute is to discuss teaching assignments and routine matters for the opening of school on September 9.

The meeting will open at 8 a.m. with a breakfast for the entire teaching staff in the high school cafeteria. At this time, new staff members will be introduced.

Immediately following the breakfast, the group will be taken on a bus tour of the high school district. At 10:45 a.m., the board of education school attorney, Ted Larson, will discuss the responsibilities of the staff under the supreme liability decision.

A discussion of routine matters will complete the morning program. The staff will re-convene at 1:30 to discuss welfare items and at 2:15 will receive supplies from the office. New teachers will meet with Principal A. L. Dittman to discuss various aspects of the school program.

The total staff is as follows: William Baird, Holland Boaz, Polly Boaz, Harrison Brown, Patricia Cassidy, James Corrigan, Donald Cramer, Frank Denison, Wanda Dolan, Nary Donovan, Elmo Edwards, Lawrence Eggleston, Stuart Good.

Also John Gudgel, Esther Hamlin, Cleo Hueber, Robert Jachino, Allen Knurr, Kathleen Joan Landman, Ward Lear, Lawrence Leon, Roy Nelson, Ruth Nickelson, Warren Polley, Joseph Rush, William Seemann, Ramona Sheehan.

Playday Race Results Told

Results of competition that was run off during the swimming pool playday Sunday afternoon before the rains came, were announced this week by pool manager Ken Smouse.

In swimming races, Bonnie Keulman and Joe Enis were first in the senior division, and Elsie Westlund first, Bill Meyer second and John Horton third in the intermediate division.

Junior division swimming honors went to Neil Larson for first, Don Zeman second and Frank Roblin third.

Pete Cook was first and Bill Alm second among seniors in the under-water swim, while Mike Polley and Nikki Nissen were first among the boys and girls respectively in the junior group.

Sandra Tholke took the honors in the junior division.

Tether ball honors went to Jimmy Sorenson.

The picnic, concert by the Antioch Township high school band and the evening water show were cancelled and will not be held this summer. A contest for divers also was not held.

Paper Drive Saturday

Boy Scout troop 92 will hold its monthly paper collection drive this coming Saturday, starting at 9:30 a.m. Those wishing to donate paper are asked to have it tied up and on the curb before that time, scribe Bill Elsey said.

Margaret Smiley, Kenneth Smouse, Melvin Stillson, Gertrude Strickler, Fern Tate, Harold Teague, Jeanette Tulumello, Audrey Van Slochteren and Robert Walther.

Chest X-Ray Dated Thurs.

Thursday, August 27, from 1 to 6 p.m. will be the time to receive chest x-rays when the mobile unit of the Lake County Tuberculosis association sets up on Main street in downtown Antioch.

Anyone over 18 years of age will be able to receive this free chest x-ray.

Mrs. William Brook of Antioch has been in charge of obtaining volunteer registrars for the event.

She reminded Antioch and vicinity residents that the sale of Christmas seals helps finance much of the free x-ray work.

A chest x-ray can discover tuberculosis, heart disease, cancer and other tumors.

Films taken of each person are developed and interpreted by experts. An individual report is sent to each person x-rayed.

Savings Bonds Sales In County Are High

Lake county residents purchased a total of \$33,377 in series E savings bonds in the month of July, according to James E. Brown of Waukegan and Philip L. Speidel of Lake Forest, general county co-chairmen of the savings bond committee.

Both series sales totaled \$27,684,436 in the state of Illinois, according to T. Merle Paul, state director of the U. S. savings bonds division. This is \$1,819,679 higher than sales for June.

National sales for the month were \$350,000,000 and Illinois sales accounted for 7.9 per cent of this amount.

In the first seven months of this year, 48 per cent of Illinois' annual quota of \$465,000,000 had been reached.

Bids Are Sought On Purchasing Of Old Oakland School Building

The old Oakland school building on the northwest corner of the Loon Lake and Deep Lake roads will be no more, late this fall, if plans of the Lake county board of school trustees has its way.

This goes for the Antioch community consolidated school district 34 board also for a resolution asking for the sale of the structure was passed by the Antioch board.

The county board this week set September 15 at 10 a.m. as the time for the public sale. Included would be the building, a rotary oil burner of 155,000 BTU and jet water tank and pump.

The oil burner, jet water tank and pump are considered part of the school building.

The old structure and its heating system, valued by the Antioch board at between \$350 and \$400, must be removed from its site within 60 days after the date of sale, the county trustees said.

Emmons School To Open Sept. 8

Registration of all students planning to attend Emmons grade school district no. 33 will take place Tuesday morning, Sept. 8, commencing at 8:45.

Parents of all entering first grade pupils who have not been registered previous to this time, are asked to accompany their children to the school.

Bring with them the child's birth certificate or other suitable evidence attesting to the fact that the child will be six years of age on or before Dec. 1, 1959.

Bus service will be provided for those children residing a considerable distance from the school and will be operated on the same schedule and routing as last year.

Dismissal will be before noon this first day of school.

Following completion of registration, the faculty will meet in workshop sessions for the remainder of the day.

This year's staff assignments are as follows: Arla Semler, first and second grades; Konrad Leinberger, third and fourth grades; Bess Sander, fifth and sixth grades, and Principal Donald Blake, seventh and eighth grades.

Gertrude Brook Dies at Age 74

Mrs. Gertrude A. Brook, 74, a native of Antioch township and a resident of this community all her life, died Sunday afternoon at Victory Memorial hospital in Waukegan.

Death following an eight day illness was due to a heart ailment.

Mrs. Gertrude Smart Brook was born in this township on Feb. 13, 1885. She was a member of St. Ignatius' Episcopal church, the guild of the church and of the Antioch Woman's club.

Surviving are her husband, J. Ernest Brook, president of the State Bank of Antioch; one son, William E. Brook, vice president of the bank; one brother, Donald Smart, Waukegan; three sisters, Mrs. Emma Simons, Mrs. Pauline Smith and Mrs. Antoinette Fields, all of Antioch; two grandchildren, Suraya and Ainslee Brook.

Funeral services were conducted at 11 a.m. Wednesday from St. Ignatius Episcopal church. The Rev. Edmond E. Hood, rector officiated. Burial was in Hillside cemetery. Strang funeral home was in charge of arrangements.

Local Library Books Rubbed With Alcohol To Prevent Mildew

Alcohol has many uses besides the more usual ones such as for rubbing away soreness and internal feeding.

Not long ago the Antioch township library found out that the moisture of these humid days was mildewing some of the books.

How to counteract that was the question.

So Mrs. Marion Harden, librarian, and Miss Betty Lu Williams, assistant librarian, spent a good part of this past Sunday rubbing the books with alcohol.

In fact, it was estimated that 1,000 volumes were taken off the shelves, rubbed with the liquid and then left in the open air.

And Monday came the job of replacing these same books back on their proper shelves and in the right order.

Dean Williams Killed In Sports Car Crash

Fire Damages Scout Hall; 2 Other Calls Answered

The Antioch fire department set a busy pace early this week with three calls in a matter of two days, including one that caused \$4,000 to \$5,000 damage to the scout building.

The scout hall on Main street near the Antioch Township library had the interior of a hallway and the kitchen charred by a blaze that broke out about 12:45 Monday afternoon.

Firemen responding to the alarm phoned in by a passerby who saw smoke leaping from the side door,

Sprinklers To Be Installed at Hi School

Preliminary work toward installation of a sprinkler system in Antioch Township high school started this week Monday with excavation of a ditch for a six-inch water main.

This main running about 100 feet in length will connect the street water main and the building.

Loon Lake Plumbing was awarded the contract for excavation and laying of the pipe on its low bid of \$1,625.

The new water main to the school was made necessary to supply the sprinkler system.

Installation of the sprinkler system in the building is expected to start in about a week and to take about three months. The length of time is due to the fact that much of the work will have to be done while school is in session, principal Albert Dittman explained.

The American Automatic Sprinkler Co. of Chicago has this work on its low bid of \$17,720.

High School Band Takes High Honors

Antioch high school's band was one of two from Lake County which took top awards in their class following the end of the five day competition at the Illinois state fair.

The local band and one from Round Lake received trophies after being judged for their music, appearance, audience interest and discipline. Their class included schools with enrollment of 551 to 1,100.

Foreign Visitor Due Here in September

An Antioch vicinity family will be host to a Japanese girl from Sept. 11 through 28, it was learned this week.

Mr. and Mrs. Homer White and family who live just off the Deep Lake road on route 2, Antioch, will have as a visitor for two weeks this young lady as part of a nationwide foreign exchange program.

Further details were not available Wednesday.

Private funeral services for Dean E. Williams, 41, of Antioch who died early Monday morning from injuries received in an automobile accident, were conducted Tuesday at the Strang funeral home.

The Rev. Edmond Hood, rector of St. Ignatius' Episcopal church, officiated.

In lieu of flowers, donations may be made to the Antioch Rescue Squad and the Antioch Township library.

Williams, a son of Mrs. Lillian Hand of Antioch, was injured last Thursday morning when his foreign car went out of control on a curve at the crest of a hill near the intersection of the Loon Lake and Beck roads.

He received head and internal injuries.

Williams was taken by the Antioch Rescue Squad to Victory Memorial hospital in Waukegan, where he never regained consciousness.

A witness to the accident about a mile and a half west of Millburn said the 1959 Jaguar Williams was driving hurtled end over end and plunged into a slough. He was thrown out of his auto.

Deputy sheriffs Carl Schmidt and Richard Burgess said Williams was conscious when they reached the scene. Headlights of the car were still on and the electric fuel pump was working.

He was born on Oct. 5, 1917 at Antioch.

Williams was a joint proprietor with his brother Roger of the Williams Department store in Antioch. During World War II he was an actor with the USO, and traveled overseas.

He was a member of the original cast of "Junior Miss" in New York City.

The local businessman also was a member of the Antioch chamber of commerce.

Surviving are his mother, Mrs. Lillian Hand of Antioch; his brother, Roger; three nephews, uncles and aunts.

John DeBoer Reports

'Lots Of Work' Needed To Win A New Car And \$9,430 Cash

It may have seemed like "beginner's luck" but John DeBoer of Antioch will tell you that it also took a lot of work to win a new 1960 metallic blue Plymouth convertible, \$6,930 in cash, plus a \$2,500 bonus.

It seems that this national contest conducted by Procter & Gamble, makers of Ivory Soap, was the first DeBoer had ever entered.

And he spent many a night before sending in the correct answer that brought him second place among millions of entries from all over the nation.

It was Ivory Soap's \$80,000 giveaway contest.

DeBoer tied for one of the prizes so in addition to figuring out the original contest he had to send in a slogan. His slogan took top place

and hence his new car and the money.

The \$2,500 is a bonus from the Jewel Tea company. DeBoer entered the contest through the local Jewel food store.

It also turns out that neither DeBoer nor his wife has a driver's license, but his wife plans to take the test. He expects to receive his new car in October.

Chances are that he, his wife and son, Keith, will take a trip this coming winter.

The DeBoer family came to Antioch in 1933. He is employed by Cal Harden, local building contractor.

Ironically enough, DeBoer purchased the house he and his family are living in, from the Jewel Tea Co.

OVER \$9,000 RICHER and the owner of a new convertible, the John DeBoer and family, winners of the National Ivory Soap \$80,000 give away contest. Left to right, Mr. and Mrs. John DeBoer, their son Keith, Dale Crona, representative from Procter & Gamble, and Ollie Lundell, local Jewel Tea Manager.

DEAR READER News Editorials

Who's Lucky?

You can't get away with everything these days. . . . No, not everything, but almost. For Example . . . there's the case of the man who allegedly let go with a shot gun blast at a couple of youths as they were driving on a public road on their way to catch some frogs.

The man was arrested and arraigned for trial but freed on \$2,500 bond. The charges read: "Assault with a deadly weapon." After the hearing before Justice of the Peace Emil Lindvall, it was learned that the man had been assessed a \$50.00 fine for disorderly conduct.

According to Assistant State's Attorney Hoogasian, the man was given a lie detector test and results were inconclusive and the alleged weapon was not found . . . hence the reduction of a felony to a misdemeanor.

So you just can't get away with everything. . . . Can you? The man is poorer by \$50.00 and the boys are still lucky and living.

Right To Advertise

'Right to Advertise' and 'Right to Know'. Another step in guaranteeing greater freedom of information and enterprise for Ohio citizens and business was taken when Governor Michael V. Di Salle signed legislation establishing the right to advertise in Ohio without having state agencies regulate truthful and acceptable advertising.

The new law, sponsored by the Ohio Newspaper Association representing the weekly and daily newspapers of the state, will benefit the general public by allowing the fullest possible information to be included in advertisements which otherwise might be limited by unwarranted state agency regulations. It provides that persons licensed under state law shall have their licenses suspended if convicted of fraudulent or false advertising.

Previous efforts to restrict certain kinds of legitimate advertising have included bans on advertising, the price of services and products, regulation of the size or kind of advertisements, and even rules as to the size and kind of type used, use of illustrations and what could be stated in the advertising. The new law also repeals a ban on price advertising by chiropractors.

This constituted a type of semi-legal censorship of advertising which the new law now prohibits. The new law favors greater freedom of enterprise and competition in Ohio and has added a new dimension to the "right to know," law, which was passed in Ohio several years ago to insure that the public and press could attend meetings of all public bodies in the state.

The "right to advertise" measure was supported by radio and television stations, newspapers, the printing industry, retail merchants, banks, telephone companies, the Advertising Federation of America, which includes several clubs in many Ohio cities, and by other groups interested in encouraging good, truthful, advertising.

How does this affect Antioch? The Ohio story in the "right to advertise," is a real illustration of the right of every American to compete in business in an open clean-cut way in any community in the United States. Laws should provide for the common welfare of each and every citizen, and common welfare most surely includes the "right to know" in Illinois as well as in Ohio.

The columns of this newspaper are always open to business and the professions who desire to place their services and/or their products before an interested reading public who most certainly has the "Right to Know."

By the time a family acquires a nest egg these days, inflation has turned it into chicken feed.

DEAR EDITOR Your Letters

Letters on your opinions are welcomed to this space each week. Equal weight is given on this page to your ideas and the paper's ideas on subject matter. Letters must be signed with complete names and addresses but will be withheld upon request. No letter should exceed 300 words.

To the Editor:

I am a puppy, happy with my mother and brothers and sisters. It was spring and we were having gay times together.

One day Kathy and her family came. They loved every one of us. Kathy tugged first at her father and then at her mother. Father said, "But you know we can't have a dog in the apartment."

"O," said Mother, "but we can have one out here in the cottage."

"Please, please," begged Kathy.

I was chosen and taken home to sleep on Kathy's bed. I was fed the best of dog foods. I was fondled and loved all day long. O what a wonderful summer.

Ah, but the summer is coming to an end. Kathy and her family will soon be returning to the city and the apartment.

A thought came to Mother, then to Father. After Kathy went to bed, Father said, "I know just the place—they must be kind people for

I always see several dogs there.

"I often see one or the other of the people bend down to pet the animals. Then too, there is always enough food on a farm."

So—last night when Kathy went over to Jean's house, Mother and Father, took me for a ride—a long ride. All at once Father stopped the car. "Up ahead are the buildings—he can easily find his way there."

I was gently taken out of the car and set down by the side of the road. Father and Mother sped away.

How dark it is! I have never been alone in the dark before. I started to whimper. All at once two big dogs came barking and roaring up to me.

I sink into the weeds and lie still. They smell of me and go away. For sheer loneliness, I cry on and off all night.

Often I licked Kathy's hands when she cried but she is far away and can't comfort me. I dare not go to the buildings for

those two big dogs won't allow me near. All day I hide in the weeds, lost, forlorn, forgotten—the loved companion all at once abandoned. I am getting hungrier and hungrier, but where would a puppy like me find food? I am, however, still alive after several days but I wish I were dead.

I was the idolized summer plaything now tossed aside like an outgrown wooden toy!

Funeral arrangements in charge of the Habecker funeral home in Lake Geneva were incomplete Wednesday. The body is at the funeral home.

Fox Lake Hills Members Meet Scheduled Soon**By Jim Jankowiak**

Fox Lake Hills Correspondent
Residents of Fox Lake Hills have been notified of the September membership meeting.

There will be the election of officers and also of the director at large and the director of Unit 2.

Also there will be a few changes in the by-laws to be voted on.

Those residents who have not paid their association dues will not be allowed to vote in the proceedings.

The secretary of the association has filed liens on those people who have not paid their dues.

Certainly it would be much cheaper to pay the dues than to shirk community responsibility and fail to meet the requirements of the subdivision.

Now is the time to start thinking about who would be the best leaders of the subdivision.

If present officers decline the nominations or are not returned to office for the next year, we should be sure that we have only the best qualified in office.

Remember, now is the time for you to start thinking about who you want in office.

Next week is meeting week for a large number of Hills residents. The Women's auxiliary will hold its monthly meeting on Sept. 2.

Many important subjects will be discussed. The main topic of interest will be the dance coming up in October.

The Sports club will hold its monthly meeting on Thursday, Sept. 3, in the beachhouse.

Benefit Card Party

There will be a benefit card party for a family where the father is critically ill in the hospital at 8 p.m. Friday, Sept. 4, in the American Legion hall at Antioch, friends in charge announced this week.

Artist Guild Exhibit Here Aug. 28 - 29

The annual exhibit of the Antioch Artist Guild will be held August 28 and 29 in the showroom of Lyons and Ryan Ford Sales on Main street, Antioch.

As in past years, people will be encouraged to vote for their favorite painting.

The artist receiving the most votes will be awarded a special ribbon. In conjunction with the exhibit two paintings will be on display to be given away as a prize at a later date.

Any artists wishing to join the club in time to exhibit his or her work, may call Grace Strahan, at Antioch 1111.

The following artists won awards at the Kenosha county fair arts and crafts exhibit in Wilmet.

Professional division—Gene Bakes, award of merit and honorary mention, crafts; George Grunow, award of merit, graphic.

Open divisions—Claire Gilday, award of merits for sculpture, water color and for oil; Grace Strahan, honorary mention for pastel, oil, graphic and for commercial; Alfa Vales, honorary mention for pastel. Amateur division—Ellen McDowell, honorary mention for oil and water color.

Hayloft Jamboree Slated at Trevor

Thirty persons are expected to participate in the 11th annual Hayloft jamboree to be held at the Trevor grade school Saturday, Aug. 29. Mrs. Florence Dexter, producer-director, said this week.

The best in western-styled music, dancing and singing will be presented. After the show there will be dancing and refreshments served at Camp Lake Garden's community hall.

Proceeds from the charity show sponsored by the Camp Lake Garden association will be used to complete the interior of the community hall.

Schilz Enlists in Army

Gerald L. Schilz of Salem, was among eight men from the Kenosha area who recently enlisted in the regular army for three years. Each received an assignment of his choice. Schilz enlisted in a diesel engine repair school.

PUBLIC NOTICE

Notice of Proposed Change in Gas Schedule
NORTHERN ILLINOIS GAS COMPANY hereby gives notice to the public that it has filed with the Illinois Commerce Commission on August 14, 1959, a proposed revision of its Rider 6, Adjustment for Cost of Purchased Gas. This rider prescribes the method used to compute the Company's purchased gas adjustment, and proposes that such computations include charges paid by the Company (under Governmental regulation) for new or additional gas supplies purchased on a firm supply basis.

Further information with respect thereto may be obtained either directly from this Company or by addressing the Secretary of the Illinois Commerce Commission at Springfield, Illinois.

A copy of the proposed change in the schedule may be inspected by any interested party at any business office of this Company.

Chuck Larson Will Talk at Lindenhurst

The Lindenhurst Men's club is planning to have a special speaker on Sept. 3.

Charles E. Larson, chief deputy of the Lake county sheriff's office, is going to speak at 8 p. m. on "How the Lie Detector Works" at the club-house.

Larson has an outstanding background. He was a police officer for the village of Lake Bluff prior to World War II. During World War II, Chuck served with the State Department and was assigned to O.S.S. (Office of Strategic Services).

He spent two years of this time behind the Japanese lines in Burma organizing guerilla forces and performing acts of sabotage and espionage against the Japanese forces.

His commanding officer was General "Wild Bill" Donovan.

After his discharge from service he was hired as a deputy sheriff in Lake county. He patrolled highways, was a radio operator, an investigator, moved to chief investigator and is now the chief deputy to Sheriff Norris Froelich.

His education has been added to by training at the Leonard Keeler school for Polygraph Examiners and many specialized courses under the direction of the federal bureau of investigation.

Chuck has lived in Antioch most of his life.

Trevor Fire Department Seeks Funds for Truck, Maintenance

Donations are being sought by the Trevor volunteer fire department to "maintain existing equipment, replace old equipment and purchase what new equipment is necessary."

In particular the firemen seek 10 cents a week from each property owner (or about \$5 a year) to help in the purchase of a new truck to replace one of 1935 vintage.

Replacement of this vehicle will be necessary to maintain the Trevor department's present classification and also maintain existing fire insurance rates, president Gordon Dillon said.

The annual decal drive of the department is also under way. Members of the department will call on property owners for their donations as has been done in past years.

Expenses during the year May 15, 1958, to May 15, 1959 were \$3,476.53. Income totaled \$4,638.71, including \$1,400.50 from the decal drive.

Signing the letter seeking funds in addition to Dillon were: Wilson Runyard, treasurer of the Trevor volunteer fire department; Mel Glemaker and Harold Johnson, committee members.

Salem Correspondent

Mr. and Mrs. Donald Schaler and children have returned from Ohio, where they spent a week visiting relatives.

Mr. and Mrs. E. H. Hartnell, Mr. and Mrs. Ernest Schatten and family, Mr. and Mrs. Richard Hartnell and family, Mrs. Minor Hartnell and Will and Henry Cook were dinner guests on Sunday, of Mr. and Mrs. Frank Hartnell at Kenosha. Other guests were Mr. and Mrs. John Brandes and Mr. and Mrs. Andrew Fenema, Jr., of Kenosha.

Miss Judy Schatten and brother, Donald, spent the weekend with their aunt and uncle in Chicago.

Mr. and Mrs. Arthur Cook have returned from a week's vacation in Northern Wisconsin.

Mr. and Mrs. Byron Patrick were dinner guests Saturday evening of Mr. and Mrs. Julius Cluckey of Kenosha. Other guests were Mr. and Mrs. Don Scott of Waukegan.

Louis and Frank Slamar, sons of Mr. and Mrs. Louis Slamar, are on a two week vacation in Arizona, visiting relatives.

Mr. and Mrs. Alfred Schmidt have returned from a few days motor trip in Northern Wisconsin.

Mrs. Charlotte Bloss and Mrs. Nellie Head accompanied Mrs. Bessie Elkerton of Antioch to Kenosha on Wednesday where they spent the day with their brother, John Milword and wife.

Mrs. Byron Patrick accompanied her sister, Mrs. Stanley Stoxen of Bassett and Miss Ruby and Lester Davis of Twin Lakes and Mrs. Donald Des Moines of Kenosha to Chicago air port Thursday where they met their nephew, Gary Davis of Nevada City, Calif., who was enroute to Jacksonville, Fla., where he will be training in the navy.

Mr. and Mrs. Jasper McCormack and Mr. and Mrs. Gilbert Tuttle are on a camping trip in northern Wisconsin and Canada.

Mrs. Wayne Preiss left Friday by air to Fort Lauderdale, Fla., where she will visit Mr. and Mrs. Walter Preiss.

Wilmot High Opening Set For Sept. 8

Wilmot high school will open the day after Labor day—Sept. 8—with about 320 students, principal M. M. Schurr said this week.

Some registration was completed last spring and the rest of the anticipated number is expected to do so on opening day.

The expected enrollment tops last year's number by about 20.

Bus routes for transporting students will remain unchanged from last year and the school lunch program will start on the first day of school, he said.

Dale Schroeder, an industrial arts teacher and basketball coach, has been added to the staff.

Three replacements have been added. They are Marilyn Juedes, in the art department; Donald Helberg, a coach and in the science department, and Donald Wahl, in the math department.

Teachers will participate in a faculty workshop Sept. 1-4 at which time they will discuss teaching procedures and outline the school program.

Classes will be conducted from 8:10 a.m. to 3:12 p.m. when school opens on Sept. 8.

Other members of the faculty than those mentioned are:

Louise Mathias, office secretary; Chester Knight, assistant principal and agriculture; George Amoth, instrumental music; Eugene Bilott, English and Spanish; George Brieske, business education; Frank Buccell, head coach, physical education and biology.

Others are Darlene Carr, vocal music; Alvin Dongarra, English; Mary Engstad, English and speech; Richard Heigl, social science; Ruth Miller, home economics and librarian; Gene Olson, math and science, and Lawrence Stein, business education.

Two 3rd Grade Teachers Hired At Oakland School

The Oakland grade school in the Antioch community consolidated school district will have two third grade teachers.

A misprint in last week's Antioch News indicated there would be only one. However, due to the large number of third graders expected this coming school year, two teachers for that group have been hired.

Shirley Edwards and Phyllis Paulson will be the third grade instructors, and Patricia Couch the second grade teacher. The latter's name was left out of last week's news story by mistake.

Dress Revue Draws Girl From Wilmot

Bonnie Horton of Wilmot and Joan Gordon of Slades Corners will take part in the junior state fair dress revue activity August 28 to 30.

Both were selected as representatives of Kenosha county at the 4-H dress revue activity held in July and presented at the county fair.

Bonnie's outfit is a suit of gray and white tweed. The skirt is straight with a kick pleat in back. The jacket is waist length with three-quarter length sleeves and soft rolled collar and is accented with large pearl buttons. Her accessories are white.

GOP Leaders Enjoy Picnic

An estimated 300 persons enjoyed the annual corn roast sponsored by the Lake County Republican central committee held at Elmer Wolff's resort near Lindenhurst last Thursday.

A loudspeaker played dance music while a roaring fire kept the corn, bratwurst and hot dogs coming.

There were some speeches but the man who presided, Robert J. Milton of Lake Forest, kept the number and length to a minimum.

A number of county office holders and many precinct committeemen with their families and friends were present.

Among the notables were circuit judge Sidney H. Block and county judge Minard E. Hulise, coroner Robert H. Babcox, sheriff Norris E. Froelich, county treasurer Hugo L. Schneider, Jr., circuit clerk L. J. Wilmot, assistant circuit clerk Stephanie Sulthun, county recorder Gustaf H. Fredbeck, deputy recorder Harold Edwards and state's attorney Bruno W. Stanczak.

Local Firm Gets New Dealership

Antioch Lumber and Coal Company today was appointed a Class A dealer for translucent fiberglass reinforced plastic panels, manufactured by the Filon Plastics Corporation, El Segundo, California.

Ed Vos said his company is stocking a substantial inventory of the versatile building material in the most popular colors and will, therefore, be able to deliver immediately. This is the only dealership in Northern Illinois.

Filon is the world's largest manufacturer of fiberglass panels, which are used extensively for patios, awnings, fences, shop screens, luminous ceilings, shower doors and tub enclosures.

Oakwood Knolls Folk Select New Officers

The Oakwood Knolls Property Owners association at its August meeting elected new officers:

Henry Apostol, president; June Garrison, vice-president; Edward Olaszewski, secretary; Robert Bolton, treasurer; and Ben D'Abaldo, Joseph

Gawrecki and Frank Weiss, board members.

At the board of directors recent meeting plans were made to present a year program to the membership at the next general session.

Already a committee is working on the beautifying of the front entrance as well as the beach and park areas the association maintains through yearly dues from members.

EVERY SATURDAY NIGHT

Friday The 13th Brings No Fears To Hank; His 'Day' Is August 21

By Pearl Kapell

Channel Lake Correspondent
Hank Kubicki, Jr., of Sunnyside, doesn't fear Friday the 13th. But let another Friday the 21st roll around and Hank's going to stay in bed.

Another one like the day he had August 21 and he'll have to.

Hank rose, as usual on a working day, at the witching hour of 5 a.m. This is enough to spoil anyone's day, in this weather, when it's just getting cool enough to sleep good at this hour.

But Hank's an industrious boy and he didn't mind—much.

He rode to work at the Chicago Rubber Co. of Waukegan with his father. Everything was fine, except that it was a miserable hot day.

But these minor discomforts have to be ignored.

Core Hits Foot

But then something happened that Hank found it difficult to ignore. Wheeling a 200 pound steel core on a truck, the core slipped off and dropped on Hank's foot.

If you've ever dropped a one-pound weight on the arch of your foot, you may have some basis for comparison of the exquisite agony of dropping a 200 pound weight on it.

Fellow workers rushed to Hank's assistance and removed the weight from his foot and took him to a doctor.

It was found that he had a fracture of the second metatarsal bone and a badly bruised foot. Hank was taken home.

This should have been enough to convince Hank that this just was not his day and he should have been content to sit quietly at home.

But Hank had a date, and he's well-grounded in the tradition of "the show must go on." So he called his date and assured her he'd pick her up at 7:30 p.m.

Drive-In Movie

Destination, a drive-in movie, out of deference to the fact that it was extremely difficult and painful for Hank to walk or climb stairs.

Hank couldn't use his own car for the evening because use of the clutch was necessary. So his father kindly agreed to trade cars for the evening.

Unfortunately, when Hank rushed out to pick up his companions for the evening, at 7:40 (already 10 minutes late), he found his father had already departed with his (Hank's) car and the keys to his (his father's) car in his pocket.

Hank wasn't sure where his father would be except that he was somewhere in Antioch, so he rushed in the house—well, he would have if it hadn't been for that foot.

As it was, he sort of winced in. He started calling systematically every place he could think of where his father might be.

8:00 p.m. came and went. No Hank. The couple they were double dating with called Hank's date, worried that he might have suffered a sudden relapse.

Phone Was Busy

Hank's phone was very busy. No way to get hold of him.

Time passed. Hank's date was unhappy. Hank was unhappy. Neither one knew the other was unhappy.

About this time, Hank located his father at the A&P. His father brought the keys home to Hank. Hank left, in his father's car.

Being greeted by an angry date, after a day like this, was enough to try a man's soul. But explanations were made, the other couple picked up, they got to the show and it looked like the rest of the evening would be cool, relaxing and restful.

Then the four decided they needed refreshments. Out of deference to Hank's wounds of battle, the two girls went and got them—Cokes and popcorn.

Carrying them back to the car, the top of a popcorn-box opened and the buttered popcorn bounced into the Cokes.

Foot Gets Tangled

Reaching the car, Hank's date got tangled and confused trying to open the car door with the speaker on it. The girls giggled. People in surrounding cars "shushed" loudly.

The Cokes were handed to Hank, who set them carefully and precisely on the opened door of the glove compartment.

Embarrassed by the attention they'd drawn to themselves, Hank's date bounced into the car, hit the glove compartment with her knee and spilled the Cokes.

Abashed by her apparent clumsiness, she slumped down in the seat and drew her knees up. They hit the door of the glove compartment. The Cokes spilled again.

They relaxed and watched the movie for a few minutes. The couple in the back seat ran out of popcorn and asked if there was any left they could share.

Hank's date, finally engrossed in the picture, flung her hand, holding the open box of popcorn, up in the air and over her shoulder, to pass it to the couple in the back seat.

There were loud cries as buttered popcorn erupted from the open box and showered down over the couple in the back seat.

Herman Hess, Jr., of Venetian Village, a former resident of Channel Lake, suffered a coronary attack August 17, and was taken to Condell Memorial hospital. He returned home Wednesday.

Mrs. Dorothy Chase was hostess to about 15 ladies at a "key" party August 20. Everyone had a good time in spite of the sweltering weather, and cool and tasty refreshments were served.

A Cadillac, parked in the parking lot of Felter's subdivision, rolled over a bank and into the lake. Even the cars can't stand the heat. Al Moore, sheriff of the subdivision, called for help, and Carl Beltzel and George Hucker retrieved the car with no damage done.

Leonard Bloniarz, president of Felter's subdivision, announces that the semi-annual meeting of the members of the Subdivision association will be held at 3 p.m. September 6. Projects of the past year will be discussed and plans for next year made. The secretary of the Subdivision association and one alderman will be leaving office. New officers will be elected to take their places.

Mr. and Mrs. Edward Baumann entertained about 25 guests at a family party celebrating the 65th birthday of Mrs. Baumann's mother, Mrs. Emma Norstrom of Chicago.

Tess says it's Swedish tradition to have a big celebration on a person's 50th and 65th birthday.

Mrs. Norstrom's son, Robert Norstrom, was present, but another daughter, Gene Youngquist of Iowa, was unable to attend so phoned her mother during the party.

A delicious and bountiful variety of foods were served buffet style to the guests. During the afternoon, Ed entertained some of the guests by taking them for airplane rides.

The public is invited to attend a picnic of the Felter's Subdivision association Sunday, August 30. It will be held on the picnic grounds on Addison road. It's planned to make this the big event of the year. Be-

Central High Expects 600

Central High School at Paddock Lake commences its school year on September 3 for all students, but all freshmen will report August 31 for orientation.

Central expects about 600 students the coming school year.

Registration dates for freshmen and transfer students is August 17-28, Monday through Friday from 9 a.m. to 3 p.m. This includes freshmen tuition students.

Evening registration will be August 27 from 7 to 8:30 p.m. Students who register must be accompanied by a parent.

Bus pick up time will be approximately identical to last year. However, the addition of another bus will alter some of the routes.

sides the usual games and entertainment that this hard-working group prepares for the public's entertainment, several large prizes will be awarded during the afternoon—a television set, a power mower, a rotisserie, ladies' and men's wrist watches, and a window fan.

The Donald Bjorks left August 23 for a week's vacation at Cable, Wis.

Jerry and Bob Kubicki were joint hosts to many of their friends at a party in their home on August 16 to celebrate their respective birthdays. There was dancing and refreshments were served.

The Cub Scouts of Pack 86, their families, and friends thought they were going to have a beautiful day for their picnic August 23 and so they did—for a while.

A potluck dinner with barbecued hamburgers and hot dogs were served and the boys started on their achievement tests.

Only a portion of them were completed before the downpour stopped activities for the day.

Present at the picnic to take their tests were Martin Luofs, Paul Luloff, Bobby Lemke, Mike Bolton, Allen Kriesant, Billy Ganzer, Guy Trussell, Tommy Runyard, Doug Runyard, James Ward, Sam Harris and Norman Harris.

John Eckert, is leader of the Cub Scouts. The next pack meeting will be at the school house on Sept. 25.

President Lewis Rogers says that in spite of the heat the outdoor party and dance given by the Community club Saturday night was a financial success.

Don't forget the Boy Scout court of honor at 8 p.m. August 29 at Old Orchard farm.

Mr. and Mrs. Robert Lemke and their children took a trip to the Wisconsin Dells last week. They stayed with friends at this resort spot and visited many of the interesting sights and activities, including the Indian dances.

Mrs. Otto Youngman spent a week in Minnesota recently visiting her mother. She was joined there by her sister, who lives in Texas.

The Arthur Teaslings have returned from a vacation trip to Michigan.

Mrs. Emil Frozeth entertained members of her birthday club on August 25. Luncheon was served and the afternoon was spent playing games. Guests were Mrs. Irving Veltum, Mrs. Hattie Schmitz, Mrs. Helen Bloom, Mrs. Frank Foulis, Mrs. Stephen Ryzko, Mrs. John Swanson, Mrs. Emil Hellberg, Mrs. Emil Linder and Mrs. Grutzmacher.

Sunnyside subdivision will have its annual picnic on September 6. Emith Frozeth, president of the association, announces that the picnic will start about 1 p.m. and continue into the evening.

Various games will be played; there will be races for the young people and many prizes will be awarded.

Refreshments will be available. Coffee and cake will be served free. Music will be provided during the day by the Rhythm Kings and there will be dancing to their music in the evening.

The public is invited to attend. The picnic will be held in the usual spot, in the subdivision's park on the shore of the channel.

The Senior Social club met at the home of Mrs. Harry Weiss on Aug. 20. Members of the club meet monthly at the home of the different members, for an afternoon of cards and conversation.

Present were Mrs. Katharine Archer, Mrs. Liess, Mr. and Mrs. William Frey, Mr. and Mrs. Frank Hennig, Mr. and Mrs. Robert Hess, and the hostess, Mrs. Harry Weiss.

Mr. and Mrs. Daniel MacHanes and family returned August 19 from a month's trip through the west and parts of Mexico.

They spent a week in California and, among other points of interest, visited the Carlsbad Caverns and Boulder Dam.

Mrs. MacHanes says the heat here is much worse than anything they experienced in crossing the desert and she rather wished they could have kept on traveling.

Bobby Lemke was guest of honor at a birthday party held Aug. 20 in his home. His young guests included Tim and Guy Trussell, Doug and Tom Runyard, Johnny Bjork, Paul and Martin Luloff, Bruce Dieball, Wayne Meierdick and Bobby's brother, Davey Lemke.

Games were played and refreshments were served. After the party

Fees Adopted At Central Hi

A new fee of \$3 to cover breakage by a student in chemistry classes, reimbursable at the end of the year, has been adopted by the Central high school (Salem) board of education.

The board also has increased the meal ticket price to \$1.75 a week or 40 cents a day.

Allen Kents was hired to assist in coaching football.

Principal Allen H. Erickson presented to the board information on the definition of the duties of department heads which will be discussed at a future faculty meeting.

The Mutual Service Casualty company of St. Paul was awarded the bus insurance on its low bid.

The Pugh Oil Co. of Racine was given the contract for supplying fuel oil on its low bid.

The bid for the supplying of milk was awarded to the Milk Producers cooperative of Kenosha.

the mothers of the guests and host relaxed with coffee and cake.

Gary Meierdick was guest of honor at a birthday party held at the home of his parents, the Elmer Meierdicks of Channel Lake, on August 17.

His young guests included Joann Millhouse, Brian, Bruce and Janet Barnes, Kathy Wysoglad and Gary's brother and sister, Wayne and Cindy Meierdick. Refreshments were served and everyone had a wonderful time.

Local Driver Injured

Mrs. Leone Kirchmeyer, 32, of Antioch reportedly received eye, arm and foot injuries last Friday evening when her car struck a stop

sign on highway 80 and county trunk H. She told Kenosha county sheriff's deputies she lost control of her vehicle when it swerved as she applied the brakes.

Fees, First Day Schedule, Rules Reviewed by Antioch High Leader

A newsletter sent out to parents by the Antioch Township high school through principal Albert L. Dittman late last week brought the parents up to date on coming school sessions, registration, opening days and the like.

Dittman said that through newsletters to parents, the high school will attempt to help them become better acquainted with the "total educational progress."

Parents and young people were reminded that the 1959-60 school year at the high school will open Wednesday, Sept. 9, with a special schedule for students.

Students will report only at the times listed to receive class schedules, pay fees and acquire general information.

Freshmen will report from 9 to 11:30 a.m., sophomores from 1 to 2 p.m., juniors from 2 to 2:45 and seniors from 2:45 to 3:30.

Bring Health Forms

Those in the freshman class are urged to bring the completed health forms. Some time between 9 and 11:30 a.m. Sept. 9 the health forms will be used by a dentist in the cafeteria when giving the students a dental examination.

Anyone knowing of new people in the community who have children of high school age, he or she is asked

to inquire if they have registered at the high school.

"Such new people are urged to register soon to avoid delay at the opening of school," Dittman wrote.

"We shall be very crowded this year and some classes have already been filled to maximum. Other classes may be closed to new students who do not enroll by the end of August."

All Antioch high school students completed their registration and selection of courses last March. At that time the counselors checked carefully as to student desires and prerequisites for subjects.

Cards Are Signed

Parents signed the registration cards, confirming the student programs, and everything is believed set for the opening of school.

The only places where changes in enrollment may be made are those of failures, credits secured in summer school and conflicts in schedules, Dittman said.

These changes must be made by the end of August.

Any requests for changes will be handled on the merits of the case, but only in extreme cases, other than those mentioned, will any changes be granted until after one week of school has elapsed.

On opening day, Sept. 9, students and parents are advised that fees will be collected as follows:

(A) \$7.50 textbook fee for pupils enrolled in the experimental chemistry class and for students enrolled in a fifth subject; (B) \$6 textbook fee for other students; (C) \$4 towel fee for physical education students.

Other Fees Listed

Others are (D) \$2.25 student accident insurance premium; (E) \$1.50 lock fee for boys' physical education only (\$1 refund will be granted at end of school term if lock is returned in satisfactory condition.)

Also (F) \$4 participation fee for members of the senior band and senior choir; (G) \$2 participation fee for members of the junior band and junior choir; (H) miscellaneous fees for science laboratory workbooks, shop fees, workbooks on various subjects.

Most students at ATHS will pay fees of about \$15. Admission to athletic events, social affairs and class plays is not included in the fee.

All students are being covered by accident insurance, which is part of the student fee. Insurance information materials and forms for same have been sent to parents.

Transportation will be furnished without charge to students living 1½ miles or more from the high school.

Route schedules will be supplied on Sept. 9, to students the school believes qualify for this service.

Five Busses Listed

Five busses will be operated this year. Four of these will make double trips.

Classes will start at 8:30 a.m. and extend to 3:20 p.m. with six and a half class periods. Included in the 6½ periods are six class periods of 55 minutes each and a 30 minute study hall period.

Each student has a 30 minute lunch period and four minutes of time is allowed for passing between classes.

"You are strongly urged to en-

courage your boy and girl to observe the good grooming program of the high school," Dittman said.

"This program has been very successful in the past and we wish to continue it. Details of the program can be read in the 'Student Handbook'."

725 Students Foreseen

The 1959-60 enrollment at Antioch high school is estimated at 725 and continues to grow. The capacity of the present building is 650.

The board of education and a citizens' advisory council have been devoting many hours the past several months studying ways to solve this student housing problem.

Articles have been appearing in the local newspapers (including the Antioch News) about the work of the board and of the citizens' advisory council.

Information regarding this matter will be sent directly to the parents and "we hope you will read it very carefully."

Salem Area Pupils Win In Contest

Several students in Wisconsin schools near Antioch received prizes in the health poster contest sponsored by the Kenosha county nurse, the county nurse's office said this week.

Boys and girls at the Kenosha county fair were given an opportunity to win a subscription to "Today's Health" and cash awards.

Subject of the poster this year was "What Part Does Food Play in Health?"

More than 170 Kenosha county children submitted posters under sponsorship of the Kenosha County Medical society. The boys and girls were from the primary, intermediate and upper grades.

Thirty-five posters were selected by the panel of judges and these were displayed at the county fair where parents and adult visitors could select the first, second and third choice.

Posters were judged on appropriateness, workmanship, correct word usage and artistic ability.

First prize among the lower grades went to Maryann Olmhausen, (entry no. 12) of route 2, Salem, Wis. A subscription to "Today's Health" went to the Wheatland Center school which she attends and \$3 in cash went to the girl.

Margaret Bollwahn (entry no. 8), also a student at the Wheatland Center school, received second prize. She received \$2 in cash.

Third prize went to Thomas Moran (entry no. 18), of 427 Sheridan road, Paddock Lake school, at Salem. Thomas received \$1.

Two Bristol grade school students, Donald Farms (entry no. 25) and Robert Benson (no. 23) took awards in the intermediate grades:

Donald received first prize and \$3 while his school was awarded a subscription to the magazine. Robert received \$1 in cash for placing third.

Among the upper grades, Ed El-

ington (entry no. 35) took second prize and \$2 in cash. He is a student at Mound Center school near Salem, Wis.

one of 7 big bests Chevrolet gives you over any car in its field

Proof that Chevy delivers the most miles from a gallon comes from an indisputable source: this year's Mobilgas Economy Run. For a pair of Chevrolet sixes with Powerglide walked away with the first two places in their class—got top mileage, in fact, of any full-sized car. Over the Run's long, rugged course, over mountain and desert in the long, long haul from Los Angeles to Kansas City, the winning Chevrolet averaged a whopping 22.38 miles per gallon. That's the kind of economy-engineering that keeps you saving while you drive!

BEST STYLE—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCI-

ENCE magazine, "a new high in daring styling."

BEST BRAKES—In competitive tests of repeated stops from highway speeds, conducted by NASCAR*, Chevy outstopped both of the "other two." Naturally—Chevy brakes with bonded linings are far larger, built to lengthen brake life by up to 66%.

BEST TRADE-IN—Look at the record—the used car prices in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

BEST ENGINE—Chevrolet engines have long won expert praise and, just recently, Chevrolet received the

NASCAR Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ROOM—Official dimensions reported to A.M.A.† make this abundantly clear. Chevy front seat hip room, for instance, is as much as 6.9 inches wider than in comparable cars.

BEST RIDE—MOTOR TREND magazine names Chevy "the smoothest, most quiet, softest riding car in its price class." But this is one Chevy feature you really should discover for yourself, at your Chevrolet dealer's. Stop by soon!

Teen-Age Dance Band Favorite With Channel Lake Residents

By Pearl Kapell

Channel Lake Correspondent

Channel Lake has a little dance band, composed entirely of teenagers, of which we are justly proud. It's a pleasure to listen to them, as well as to dance to their music. Hank Kubicki's Rhythm Kings have been playing together for about a year and a half.

Hank formed the band shortly after his parents—Mr. and Mrs. Henry Kubicki, Sr., moved to Channel Lake from Chicago.

There are three regular members of the band—Hank, Mike Murrie and Nick Ganzer—with Ken Appleby and Joe Zeien sitting in when a larger band is needed.

Hank is the leader and organizer of the band, but it's essentially a democratic group, with each boy contributing what he can in ideas and in the job of finding engage-

ments for the band.

This is the fourth band Hank has organized and played in. He does all the arrangements they play, having studied music arranging in the ten years of study he has put in on music in general and the accordion in particular.

He has written a few songs, some of which the boys include in their regular repertoire. He studied at the Wilkins School of Music in Chicago for three years, at the Chicago School of Music, and majored in music at Lane Tech before attending Antioch high school.

Besides the accordion, Hank can play the drums, cello and piano. Music is really his paramount interest.

He practices at every opportunity, spending hours of work on one piece to get it the way he wants it before it's finally included in the band's repertoire.

It is his hope that the band can finally be composed of four regular members—drum, bass, accordion and saxophonist who can double on the clarinet.

When this is accomplished, he wants to change the name of the band to "The Accents."

Hank doesn't intend to make a career of playing in a band, though he hopes to form a band when he goes to college to supplement his income.

He feels that the life of an entertainer is too uncertain.

Mike Murrie, who plays bass fiddle in the band, is the son of Mr. and Mrs. L. E. Murrie of Lake Marie. Mike also has a serious interest in music.

He studied music in school and is now studying piano under Fred Thies, Sr. Mike plays the tuba in the Antioch high school band.

He enjoys playing with the Rhythm Kings and hopes to become a member of a small band in college, though he also does not intend to major in music.

He's the newest member of the

band, having joined them about the first of May. He and Hank are each 17 years of age and will be seniors in high school.

Nick Ganzer, son of Mrs. Grace Ganzer of Channel Lake, is the third member of the combo and plays the drums.

Nick has not studied as much as the other two boys but has a natural aptitude on the drums that helps to make up for his lack of study.

At various times he has tried the accordion and the sax, but has played drums for some time now. He was a drummer in the Antioch high school band for one and one-half years.

He, too, likes playing in the band and hopes to be able to continue, but also wants to study for some other line of work, although he has not definitely made up his mind what he will go in to.

He's the oldest of the boys by a few months, being 18.

When a large band is needed for some of their engagements, Ken Appleby on the trumpet and Joe Zeien on the cornet are usually available.

Both boys are graduates of Antioch high school and played in the high school band.

Although the Rhythm Kings are a teen-age band, they do not confine their playing to rock-and-roll. They play polkas, waltzes—in Hank's words, "Just about anything but symphonies," to suit the tastes of the crowd they're playing for.

They practice many hours every week, and have about 150 songs in their repertoire now.

Robert Lois, Wilmot Given Scholarship

Robert H. Lois, a June graduate of Wilmot high school, has received a scholarship from Marquette university as a participant in the General Motors college scholarship plan.

Lois ranked second in a class of 55 as a senior at Wilmot high. He will enter Marquette's college of engineering in September. He was among recipients chosen from among those students who fulfilled the conditions of the university's scholarship committee.

The son of Mr. and Mrs. Robert J. Lois, of Rt. 2, Salem, took part in high school dramatics, was captain of the senior intramural team in interclass competition and served as student council representative in his senior year.

Pvt. William Kohl Now Carbine Expert

Army Pvt. William L. Kohl, 23, son of Mr. and Mrs. Leonard G. Kohl, Route 4, Antioch, recently

qualified as an expert in firing the carbine while serving with the 43d Artillery at Fairchild Air Force Base, Wash.

Kohl, a personnel administrative specialist with the 43d's Headquarters battery, entered the army last January and completed basic com-

bat training at Fort Leonard Wood, Mo.

A 1954 graduate of Antioch Township high school, he attended the University of Illinois and was employed by the Frank G. Hough Co., Libertyville, before entering the army.

LET'S SWING THAT BAT. Two of many boys who took part in the tether ball contest at the park Sunday afternoon are shown as they swung at the often times elusive sphere. This was part of the Antioch swimming pool playday planned by the Antioch Lions Club. This event took place just before the heavens opened with rain and lightning. Shown at left with a racquet is Jimmy Sorenson, the winner in this particular match with Norman Englund (with bat at extreme right).

Registration, Circulation at Library Upped

Lake Villa Township library summer activities have been exceedingly successful, reports Mrs. Ted Belke, librarian.

Children and adults have read even more books than they did in the past long winter. Circulation and registration figures have skyrocketed.

Planned activities such as art exhibits, Friday night music nights, story hours and reading clubs have invited participation by unusually large and enthusiastic groups.

Teachers, parents and large groups of young children have been very complimentary of the outstanding reading ability of Charlene Kamen, who has frequently read to the weekly story hour group.

Excellent book gifts have been

received by the library recently from Charles Wullenbuecher, Wilfred N. Palmer, Mrs. Clare Appleby, Mr. and Mrs. Lawrence Johnson, Charlene Kamen, Mrs. Brigit Jordan, William Cohen and Mrs. Marian Hedberg.

Interesting additions to the local artist display are the work of Nancy Wetterberg, second year art major at Northern Illinois Normal university, and county fair prize-winning entries of Vern Anderson, aged ten years.

Jim's And Antioch Bowl Tied For Softball Lead

(By Bill Ferris)

Jim's Service took two victories in a tripleheader Tuesday night, including a 9-inning thriller, to bring itself into a two-way tie with Antioch Bowl for first place in the Lake-Keno Softball league.

Dick Srch belted a homerun with two men on base in the 9th inning of a scheduled seven frame affair to help down Golfview 17-14 in one of the best games of the season.

For the most part the game was well played with plenty of fielding and hitting thrills mixed in.

In other games Tuesday night, Jim's Service opened the tripleheader by blasting Fox Lake Hills 25-8 and in the middle contest, Golfview topped Lake Villa VFW 13-5.

Wednesday, August 19
Saddle Inn jumped on Jimmie Fields for 7 runs in the very first inning which proved to be enough in handing Bussie's a 10 to 4 whipping.

The tavernmen after having six games under their belts in this round seemed to be slowing down on the bases by only crossing the plate four times with a 15 hit attack against the 11 made by the Inn.

Al Kumpfer hit three singles and a double in 4 trips, Dick Harland got 3 for 4, Ed Palenske 2 for 4, and Olsen 2 for 2 for the losers.

For the winning Inn, Stormy Oberg, Rog Grossi and Frank Niedermayer each had 2 for 4. Don Pyles with one hit belted two long drives to left field only to be hauled down by Schneider.

Jim's Service in the night cap came up with a pair of runs in the last frame to defeat a stubborn Lake Villa squad 9 to 8.

With the score knotted at 7 all at the end of six innings, Freddie Popp singled to left to start the V.F.W. seventh and scored the lead run on Bernie Schneider's double.

Coming to bat for their last chance of the game Chuck Larsen singled, Orv Brodie doubled and George Sterbenz ended the game with the winning hit. Bob Doyle lifted his .475 average to a mark of .512 with a single and a pair of doubles.

Dick Srch belted his 4th homer of the season to lead off the sixth inning. Sterbenz had himself 3 hits, and Jim Brodie came up with two.

Thursday, Aug. 20
Lonnie Christensen and Norman Hink's single, double and triple, Wally Ring's single and triple, Don Sandre's pair of doubles and Billy

AHS Gridders Report Thurs.

Boys going out for football at Antioch Township high school were advised this week to come early.

Coach Bob Walther said those who come early will be likely to get the best equipment.

Equipment will be distributed Thursday from 9 to 11 a. m. and from 1 to 3:30 p. m.

The Sequoits will open their 1959 gridiron war against Wilmot high on Sept. 19 at 8 p. m. in Antioch.

The first Northwest conference battle will be at Lake Forest on Sept. 26. The Lake Forest game will be at 2:30 p. m.

First practice sessions for the Sequoits are scheduled for next Monday.

Assisting Walther this season are William Baird as assistant coach, Roy Nelson, sophomore coach, and Holland Boaz, freshman coach.

Grenell's and Ron Peters' two hits was the story of this ball game as the power boys from Antioch Bowl romped to a 10 to 3 win over Golfview.

With the Badgers trailing 3 to 0 after two innings of play, manager Skeets Oetting sparked his team with a home run in the third with Jack Palmer on base. The Bowl however, came right back with a big five in their half of the frame to lead 7 to 2.

Frankie Heiselmann on the hill for the losers was belted for 16 hits while his mates could only produce 7 off of the winner, Bob Damato. Oetting's homer and Heiselmann's two hits was the power of the Badgers.

Lucky One for Chiefs

Three unearned runs in the first inning cost Fox Lake a chance to snap a 6 game losing streak as they lost to the Chiefs and Carlucci 7 to 6.

The Hillsmen who were granted permission by the winners to use a fellow by the name of John Bychowski and another named Don Hill, non-members of the league, whacked out 4 hits including a run by Hill.

Manager John Frystak led off the 7th inning with a hit and advanced to third on a single by Alex. Bychowski then drove both of them in with a hit putting the Hillsmen one run down.

Hill then grounded out and Bychowski took second. Riley was safe on a fielder's choice putting the tying run on third and the lead run on 1st, but that's the way the game ended as Zyskowski popped out to Swanson at short and Wagner flied out to Balistreri in left center.

In gaining their third win of the round the Chiefs only managed to get 9 hits against the dozen made by the Hillsmen. Bob Odden with a single and a double was the winner's power.

Monday, August 24

Powering the ball for 39 total bases on 20 hits Jim's Service cruised Saddle Inn 23 to 11 and remain undefeated in this final round.

Homerun blasts by Chuck Larson, Orv Brodie and brother Jim raised the servicemen's 4 base total to 24 high in the league.

Jim Scully came out of his dropping of points and added 27 with 4 hits to bring his average up to .560.

Jim Brodie, Jr., making his debut played 3 innings and doubled in 2 at bats for a .500 evening.

Saddle Inn committed nine errors in losing their fourth game. Norm Pischke and Frank Niedermayer paced the losers with 3 for 4 and Stormy Oberg belted his first home run.

NO HIT BALL for five innings was the high light of the second contest between Lake Villa and Antioch Bowl. Bob DaMato, the league's leading pitcher, chalked up his 8th win as he set down the VFW on a 4 hitter while his mates pounded out 17 hits to win 15 to 3.

M. Schneider was the spoiler of what looked like a no hitter by opening up the sixth inning with a single.

In racking up their fifth straight win, the Antioch Bowl looks better than ever. Wally Ring's perfect night with 3 singles and his number two homer, Roy Bettes with two doubles and his sixth homer, and Lonnie Christensen's ninth homer were too much for Larson and the Lake Villa squad.

DaMato is not only pitching a

RON WALKER of the Lake Villa VFW team of the Keno Softball league is shown as he lashed out a double in an early inning and later scored as the veterans lost to Jim's Service 9-8 last Wednesday evening at Huff field north of Antioch. The catcher for Jim's Service was Mike Ferrigan. The umpire was from Waukegan. In the background are shown some of the fans and part of the white fence surrounding the field.

Moulis Boat Sets Record; Awards Won

A new world speed mark, first place in the Ski boat race and an award for the best performance for the two days.

These were three things that John Moulis, of Fox Lake, brought home with him Monday night, August 24, as he returned from a two day boating regatta at McKeesport, Pa.

Accompanied by Lars (Swede) Stromstedt of McHenry and Curt Medine of Fox Lake, Moulis participated in a two-day boating meet sponsored by the Mon Valley Boat club of McKeesport.

Driving his Rumrunner 9, Moulis boosted the speed mark for Ski boats from 82.7 up to 87.428 mph.

Running over a straight measured mile, boats in all classes were given the opportunity for a try at setting new speed records. Moulis' 87 plus mph was the only new mark set in any class.

The speed trials were judged by the American Power Boat association and will be considered official.

Following his triumph of Saturday, the 20-year-old Moulis proceeded to take first place in Sunday's closed course Ski boat race.

In a cap off for the tour Moulis was awarded a plaque by the Mon Valley Boat club for "The best performance by a racer for the two days."

Other local boats who also appeared at the meet included Les Brown with the "Long Gone," Ron Larson, "Miss Quickie," and Jim Bolter with his outlaw, "Firefly."

All are members of the Chain O' Lakes Boat club of Fox Lake.

Besides the Ski boats, hydroplane beauty of a game but had two doubles in three tries.

Games Left on Schedule
Aug. 27—Fox Lake vs. Lake Villa, and Saddle Inn vs. Golfview.

Aug. 31—Chief vs. Antioch Bowl, and Thom-Eric vs. Lake Villa.

Sept. 1—Fox Lake vs. Antioch Bowl, and Thom-Eric vs. Jim's Service.

Sept. 2—Bussie's vs. Fox Lake, and Antioch Bowl vs. Jim's Service.

More Race Thrills Expected At Wilmot Track Saturday

Louder than ever is the cry "Beat Milt."

Because of the 35 lap feature, 20 cars started instead of the usual 16 in the races at the Wilmot race-track Saturday evening.

Uncle Milt started at the rear of the pack and worked his way through to take the lead at the 20th lap. His old racing partner, Red Fuller of Racine, was pushing to take over but couldn't quite make it.

Karl Kulow roared across the finish line less than half a car length behind Fuller.

What a spectacular night of racing Jim Smith of Paten Jim Auto racing gave the 3,000 or more racing fans at the Little Indianapolis of Wisconsin in Wilmot.

Sixty-three modified stock cars qualified for the evening events.

Cars Start Out
In the first heat, 18 cars took the green flag. Five went through the fence on the first turn. Four of them rolled but no one got hurt.

John Wood of Winthrop Harbor won the first heat.

Ed Chedkt of Racine took second place and Jerry Mansloff of Milwaukee was third.

The hardest spill of the evening came in the second heat. Bobby Struck of Kenosha, a new driver with a hot car, "Bobby Ratajezyk's old 37," removed 300 feet of fencing on the back stretch. Then he rolled on his top.

Hal Ackerman won the second heat ahead of Homer Ansell. Joe Newhouse took third.

Ed Kieffer captured the fourth heat, Ray Darnell was second and Russ Sorenson placed third.

The fifth heat went to Jack Frost, Paul Bell and Rod Fuller, finishing in that order.

After a brief intermission, everything broke loose when Bobby Clarkson threw the green flag for the semi-feature. There were three restarts before the race finally was over.

Twenty-four cars started; 12 finished.

'Casey' vs. Carlucci
Softball Game Dated

A "special" softball game will be played at Huff field three miles north of Antioch Sunday, Sept. 6, when the Thom-Eric team will have it out with the Lake Villa Chiefs.

"Casey" will be on the hill for the Builders while Carlucci is slated to toe the rubber for the Chiefs.

Softball fans figure this to be a "no give" game with anything likely to happen and probably will.

Sat. Game 'Star' Lineup Is Announced

Jim Brodie with a record of 8 wins and 3 losses as of Sunday for Jim's Service in the Lake-Keno Softball league, has been named to hurl for the league's all-stars against McHenry Saturday, August 29.

The game, along with another between two Keno loop all-star teams, plus a pig catching contest, will be held starting at 7:30 p. m. at Huff field, 3 miles north of Antioch.

Little League Playoff Sun.

Sox Take Loop Title With 10 Wins, No Loss

Antioch Little league will enter its final week of baseball in the Little league field near the township library building.

The Sox, winners in the first half, also captured the second half title and therefore completed the regular season without the taste of defeat, unbeaten in 10 games.

The same club also won the championship in 1958.

With one team winning both halves of the schedule, in order to pick an opponent for the playoff game, the next team that has the best win and loss record for the year would be the playoff game opponent.

The next best record was compiled by the Giants who won 8 and lost 2 in the regular season.

So the Sox and the Giants will tangle at 3 p. m. Sunday at the Little league park.

Free Hot Dogs

Activities will get under way at

1 p. m. when all the boys who took part in Minor league, Little league and Babe Ruth League baseball are invited to enjoy free hot dogs and pop.

Starting at 2 p. m. boys who are going to be 13 years old by next season will have an opportunity to receive all details about the Babe Ruth league from Ward Leary.

They also will be able to register for next year at this time.

Little league officials expressed the hope many of the parents of these boys will attend the game Sunday afternoon.

"This has been a fairly successful season for the league," the leaders said, "but too much work has been left to too few people. A little more help could be used for next season to help direct this program."

"When you have a program of baseball for 250 boys surely if we had just two hours of help from each parent, the entire season it would make it a lot easier for the men and women who worked very hard this summer to help make the season the success it was."

"Surely as parents that is a small favor to ask for our sons. We have tried to do our best to help the boys

enjoy their summer, playing baseball.

Parents Welcomed
"We welcome any parent to join us and help us at all times and we are open to constructive criticism so we may improve the league."

Monday nights always have been set aside for minor league boys from 7 to 10 years old. Leaders said this was the best conducted program for youngsters ever witnessed since the Little league started.

This program was planned and conducted by Bernie Dost with assistance from about 12 fathers, attention was given to each and every boy.

It often was a close question of which had the most enthusiasm, the fathers or the boys.

The boys were striving to make the "big time" next season when they graduate to Little league competition.

The 1959 season final standings were:

	Won	Lost
Sox	10	0
Giants	8	2
Yanks	5	5
Tigers	4	6
Dodgers	3	7
Cubs	2	8
